FCC Mail Room

File No.: EB-08-TC-3730

Date filed: April 2, 2013

Name of company covered by this certification: Divine Telecom, Inc.

Form 499 Filer ID: 826330

Name of Signatory: S.M. al Momin

Title of Signatory: President

1. I, S.M. al Momin, certify that I am an officer of the Company named above, and acting as an agent of the Company, that I have personal knowledge that the Company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules.
2. The company is a VoIP wholesale provider. The Company works with various carriers and providers, depending upon their rates and levels of telecommunications route quality. The Company bills the carriers and providers that it works with. The Company does not bill individual customers in the United States for its services and, therefore, it does not have access to specific billing information for individuals.
3. The Company does maintain information related to the calls that are made through the carriers and providers that it works with. It does not use this information for any marketing purposes and does not share such information with any third parties to be used for marketing purposes.
4. Although the Company does not use CPNI, the Company does have procedures in place to ensure that it is in compliance with the requirements set forth in section 64.2001 et seq. of the Commission's rules and that CPNI is protected from unauthorized access. These procedures include, but are not limited to, training personnel regarding improper disclosure of CPNI and limiting access to CPNI to only trained personnel.
5. The Company does not disclose CPNI to individual customers and will only disclose CPNI to one of its carriers or providers if that carrier or provider has

provided services to a particular end user and such information is required for billing purposes. However, as stated hereinabove, the Company does not have individual end user customers in the United States at this time and, as such, CPNI is not disclosed.

6. The Company did not take any action against data brokers during the calendar year 2012.
7. The Company did not receive any customer complaints in 2012 concerning the unauthorized release of CPNI.
